A landscape view through a metal gate. The gate is made of horizontal metal bars and is set in a dirt path. To the left of the gate is a dense, overgrown bush with green leaves and small pink flowers. Beyond the gate is a green grassy field that slopes down towards a body of water, likely the ocean. In the distance, there are some trees and a small island or headland. The sky is filled with heavy, grey clouds, suggesting an overcast day.

Give glory to God
