On the left, there is a rustic wooden gate with two vertical posts and a horizontal bar, partially obscured by tall grass. The path is flanked by lush green grass and some wildflowers. In the background, a blue body of water stretches to the horizon, with a small sailboat visible on the right. The coastline is marked by green cliffs and fields under a cloudy sky.

A photograph of a steep, eroded earthen bank. The soil is a light brown or tan color, showing signs of weathering and erosion with vertical cracks and small rocks embedded in the surface. At the top of the bank, there is a line of green vegetation, including grasses and small shrubs. Several tall, thin stalks with small pink flowers are visible, some growing from the top edge and others from the upper part of the bank. The background is a clear blue sky with a few wispy white clouds. The overall scene suggests a coastal or dune environment.
